

Dear Boys & Girls Club Families:

As an organization, our commitment to keeping our members, their families and staff safe is always our top priority. We understand what the announcement of school closures can mean, and that childcare opportunities may be limited. We are committed to working with all of our partners to support our communities to the best of our ability during this unprecedented time.

In light of the Fond du Lac School District's decision to close in response to the Governor's orders, the Boys & Girls Club of Fond du Lac will also be closing all afterschool programs to support our community's efforts to slow the spread of the COVID-19 virus and aid in the recovery of this pandemic.

IMPORTANT UPDATE as of 3/15/2020:

Due to the FDL School District's change in schedule, all Club programs will be OPEN Monday, March 16 and will be CLOSED Tuesday, March 17 – Sunday, April 5 or as long as the Fond du Lac School District remains closed. All family nights, field trips or extra-curricular activities are also canceled during this time.

We understand that this situation may cause major burdens to families and our staff team will be available to help you navigate those hardships you may experience. If your family needs support or has questions, please call us at 920-924-0530 as we will be monitoring our phone lines during the closure.

Please watch your email, our Facebook page or our website for future communications as we will post opportunities for support for your family and also be sharing any program updates.

Thank you for your continued patience and partnership as we all work together to navigate this difficult time.

Sincerely,

Boys & Girls Club of Fond du Lac

GREAT FUTURES START HERE.
