

# CHEGWIN ELEMENTARY SCHOOL

The Fond du Lac School District in partnership with the Boys & Girls Club of Fond du Lac operates a 21st Century Community Learning Center grant that is facilitated at Chegwin Elementary School. This grant provides an afterschool program to students who attend Chegwin and Waters elementary schools.

The goals of this grant are to assist students in meeting challenging academic standards, provide students with academic enrichment activities, and offer a broad array of other activities that enrich students’ lives and skills. The Chegwin program targets students who are in need of academic support, those experiencing homelessness and students who are English Language Learners.
